

ROBERT DREWNOWSKI, JR.

10 MONTH/10-DAY ASSISTANT PRINCIPAL

(609) 675-0771 | Robert.drewnowski@millville.org

LEADERSHIP PROFILE

New Jersey-certified educational leader with more than 21 years of education and leadership experience, including approximately three years providing administrative coverage as a Substitute Principal and Lead Teacher. Brings a calm, visible, and practical leadership style grounded in strong relationships, clear expectations, sound judgment, and consistent follow-through. Experienced in student discipline, crisis response, staff support, family communication, school operations, curriculum leadership, assessment, and collaborative problem-solving. Prepared to support a middle school community where student success, staff growth, safety, and daily organization must work together.

CORE ADMINISTRATIVE & INSTRUCTIONAL STRENGTHS

Student Discipline & Restorative Support

Conflict investigation, de-escalation, accountability, parent communication, student follow-up, and relationship-based problem-solving.

School Safety & Crisis Response

Emergency procedures, medical response, safety drills, crisis communication, student supervision, and calm decision-making under pressure.

I&RS, Intervention & Whole-Child Support

Multidisciplinary collaboration, progress monitoring, attendance and behavior support, confidentiality, documentation, and individualized interventions.

Instructional Leadership & Staff Support

Classroom walkthrough support, collaborative feedback, PLC facilitation, curriculum conversations, resource sharing, and teacher problem-solving.

School Operations & Organization

Arrival, dismissal, cafeteria, hallway and event supervision, schedule adjustments, staff coordination, coverage needs, and protection of instructional time.

Family & Community Partnership

Clear communication, conflict resolution, stakeholder involvement, school events, student recognition, and explanation of decisions in plain language.

ADMINISTRATIVE & LEADERSHIP EXPERIENCE

Substitute Principal / Lead Teacher

Millville Public Schools

2022-2025

- Provided visible administrative leadership across K-5 school settings, including arrival and dismissal, cafeteria and hallway supervision, assemblies, schoolwide routines, student discipline, family communication, staff support, and daily operational problem-solving.
- Investigated student conflicts, gathered information from students and staff, communicated with families, applied appropriate consequences, and followed up to help students return successfully to the learning environment.
- Responded calmly and decisively to urgent situations, including a student medical emergency requiring 911 activation, severe-weather procedures, safety concerns, and complex parent matters; coordinated communication with families, staff, emergency personnel, and district leadership.
- Supported school safety drills, PBIS implementation, student behavior systems, and age-appropriate restorative problem-solving while maintaining firm expectations and a welcoming school climate.
- Worked with teachers, counselors, nurses, administrators, child study team members, office staff, and families to develop practical academic, attendance, behavioral, and student-support responses.
- Built staff trust through immediate assistance, clear communication, collaborative feedback, resource sharing, confidentiality, and reliable follow-through.

PLC Chair / Grade-Level Leader

R.M. Bacon Elementary School

2015-2020

- Facilitated collaborative planning, curriculum alignment, pacing, common assessment review, data conversations, resource sharing, and grade-level problem-solving.
- Served as a liaison between teachers and administration, represented staff needs, and supported the consistent implementation of schoolwide priorities.
- Helped colleagues translate standards and student evidence into instructional responses, interventions, enrichment opportunities, and clear next steps.

DIRECT POSITION ALIGNMENT

- Prepared to support the principal with student discipline, crisis-team responsibilities, staff walkthroughs, post-observation conversations, faculty and administrator PLCs, school events, special schedules, office operations, and other time-sensitive building needs.
- Brings the organization and judgment needed to manage operational responsibilities while minimizing disruption to teaching and learning.
- Understands the importance of I&RS collaboration, 504 implementation, accurate documentation, confidentiality, HIB-aware practices, clear handbooks and procedures, and consistent communication with students, staff, and families.
- Offers a community-based leadership approach that seeks input from multiple stakeholder groups while remaining decisive, fair, and focused on student and staff success.

PROFESSIONAL TEACHING & CURRICULUM EXPERIENCE

K-5 Science Special Teacher	<i>Millville Public Schools</i>	2025-Present
- Coordinate standards-aligned science instruction across two elementary schools, adapting curriculum, assessment, routines, and hands-on learning for the full K-5 developmental span. - Write and refine inquiry-based STEM units while maintaining instructional continuity across buildings, schedules, classroom teachers, and student groups. - Use observations, formative checks, student products, and performance tasks to adjust instruction, identify unfinished learning, and provide intervention or extension. - Manage materials, safety expectations, transitions, and behavior for hands-on instruction in both library-based and cart-based settings.		
Fifth-Grade Mathematics Teacher	<i>R.M. Bacon Elementary School</i>	2014-2025
- Led departmentalized mathematics instruction focused on conceptual understanding, fluency, problem-solving, student discourse, stamina, and readiness for middle school. - Used NJSLA, LinkIt, i-Ready, district benchmarks, Eureka assessments, and classroom evidence to identify standards-based needs, form groups, monitor growth, and provide intervention and enrichment. - Helped develop 10 district-wide interim mathematics assessments and used results to guide pacing, reteaching, collaborative planning, and resource decisions. - Maintained frequent, solution-focused communication with families regarding achievement, behavior, attendance, intervention, enrichment, and next steps.		
Fourth-Grade Teacher	<i>R.M. Bacon Elementary School</i>	2004-2014
- Delivered comprehensive, differentiated instruction across core subjects with emphasis on strong classroom culture, proactive family partnership, and support for varied academic, behavioral, and social-emotional needs. - Contributed to curriculum development across subjects and grade levels, including standards alignment, pacing, instructional resources, common assessments, and transition planning. - Established predictable routines, clear expectations, and individualized support that promoted student responsibility and productive learning.		

SELECTED LEADERSHIP CONTRIBUTIONS

- Instructional improvement: Connects state, local, and classroom evidence to curriculum, instruction, professional learning, intervention, enrichment, and individual student growth.
- Cross-building coordination: Maintains consistent communication and programming across two schools while respecting each building culture and responding to daily operational demands.
- Staff growth: Begins with listening, provides practical support, encourages professional reflection, and maintains clear expectations and accountability through trust.
- Student culture: Supports PBIS, assemblies, recognition programs, restorative conversations, family communication, and consistent schoolwide expectations.

EDUCATION & NEW JERSEY CERTIFICATION

Master of Education (M.Ed.) in School Leadership Wilmington University, 2020	Bachelor of Arts (B.A.) Stockton University, 2003
New Jersey Principal Certificate of Eligibility (CE) Active	New Jersey Standard Supervisor Certificate Active

RECOGNITION & COMMUNITY LEADERSHIP

- Teacher of the Year, R.M. Bacon Elementary School, 2012; Board of Education recognition for 20 years of dedicated service, 2025.
- Recipient of multiple mathematics and science mini-grants supporting hands-on, standards-aligned learning.
- President and Vice President, Upper Township Football Association; coordinated families, coaches, volunteers, law enforcement, emergency services, league officials, and community stakeholders.
- Coached girls and boys basketball across recreational, travel, and high school levels, emphasizing confidence, teamwork, accountability, clear expectations, and strong family relationships.

PROFESSIONAL DEVELOPMENT & ADDITIONAL QUALIFICATIONS

- Region 2 Advanced Grievance Training and ongoing professional learning in instructional leadership, student behavior, school safety, curriculum, assessment, technology, and collaborative problem-solving.
- Valid New Jersey driver license; prepared to meet the position's summer service, evening-event, travel, physical, background-check, and disclosure requirements.
